Semper Fidelis

**\*\*SEMPER FIDELIS\*\***

Semper Fidelis.

What does it mean?

Semper Fidelis is

the American dream.

We hear them speak.

The politicians, the generals

sitttin' at their desks.

They try to make the American

Dream into a speech,

when We can say two words

that will say everything.

Semper Fidelis.

Always Faithful are these words.

These words that inspire men

and women to lay down their lives.

Not for their country.

But for themselves and their comrades.

Semper Fidelis

When they hear theses words, they fight  
faceless enemies.

Fear.

Doubt.

Themselves.

Who are these people?

They are Marines.

**\*\*ALWAYS FAITHFUL\*\***

End  
file.
